

The International Amateur Radio Union hereby certifies that

MID SUSSEX AMATEUR
RADIO SOCIETY

owner and operator of

G3ZMS

has this day submitted to it satisfactory evidence of having conducted two-way communication with other amateur stations in each of the six recognized continental areas of the world — North America, South America, Europe, Asia, Africa and Oceania. This certificate is issued in recognition of his excellent performance, and he is, in addition, authorized to include the letters W.A.C. (Worked-All-Continents) on his station cards and correspondence.
